Grants are being made available to businesses located in the BID, City of Shawano. Grant expenses include, but are not limited to: material for creating blade sign, blade sign bracket and installation.

Operators of an existing property are eligible. Tenants of a commercial property are eligible, but the application must include written approval and consent of the fee title owner.

4. Application Process

An applicant will complete an application provided by the BID Coordinator and deliver it with all necessary attachments to the BID Coordinator. The BID Coordinator will submit the application for approval to the Business Property Committee. The BID Coordinator will notify the applicant of the Business Property Committee's decision.

5. Final approval

The applicant will be notified of approval by the BID Coordinator. The applicant is responsible for obtaining all building, zoning and/or business permits.

Resources & Guidelines:

- **Location:** Blade signs must be no lower than 7'. It is recommended they be no higher than 9'. It is also recommended they be no wider than 42".
- **Content:** The content of the sign should promote the lure of the business. For example, a business named Sunshine Shades that sells sunglasses should include 'Sunglasses' on their blade sign.
- **Text:** Avoid script text and outline on fonts; this is difficult to read.
- **Colors:** Use contrasting colors on sign.
- **Questions regarding zoning code for signs?** Contact the Shawano City Planning & Zoning Administrator at 715-526-6150.
- **Who can create sign?** Any sign company can be used for this project. B&J Custom Graphics has blade sign options; contact them at 715-526-3933.
